Attracting Prospective Members

Consider these approaches for attracting prospective members:

- Hand out Rotary Basics (595-EN), This Is Rotary (001-EN), and What's Rotary? (419-EN). All three are available from either www.rotary.org, the RI Catalog, or your international office.
- Encourage prospective members to tour the RI Web site, www.rotary.org.
- Create a pamphlet that outlines the club's history and highlights recent service projects and social events.
- Invite prospective members to a club activity or a service project.

Identifying Qualified Candidates

Qualified candidates for Rotary membership are adults of good character and good business and professional reputation, who hold or have held an executive position with discretionary authority in any worthy and recognized business or profession.

Types of Membership

There are two types of Rotary club membership, active and honorary:

- Active members must meet the above qualifications, as well as live or work within the club's locality or surrounding area.
- Honorary members have distinguished themselves by meritorious service in the furtherance of Rotary ideals and are considered friends of Rotary for their permanent support of Rotary's cause.

The mission of Rotary International is to provide service to others, promote integrity, and advance world understanding, goodwill, and peace through its fellowship of business, professional, and community leaders

RLI seeks to have Rotary Clubs in its member districts identify those Rotarians who appear to have the potential for future club leadership (not necessarily as club presidents) and provide those so identified with a quality education in Rotary knowledge and leadership skills so important in voluntary organizations.

RLI-Part I consists of:

1. Leadership Characteristics
2. Rotary Beyond the Club
3. Membership Retention
4. The Rotary Foundation
5. Leadership Team Building
6. Service Projects

The one-day programme is for all Rotarians and will be conducted by trained RLI faculty on **July 25th 2010**.
