The Future of Rotary

By Paul P. Harris

Now as the Rotary New Year begins, I wish you all of the prosperity which your good deeds merit.

- May all things you ought have be yours.
- May your charities rank among your necessary expenditures.
- May you not fall into the popular error of thinking that happiness is to be found in outdoing your neighbors.
- May it always be yours to look beneath the veneer of life to the solid substance which lies beneath.
- May you be builders, not mere climbers.
- May you be able to appraise life's blessings at their real worth.
- May you be free to act in accordance with the dictates of your own conscience and good judgment.
- May you not be slaves to meaningless customs, social or otherwise.
- May you shun the groove followers.
- May you have vision to discern the right and health, strength and will to do it.

THAT IS TO SAY, I wish you a happy New Year.
